REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art, either alone or in combination, does not disclose or render obvious a device for coupling light into an optical conductor having a light receiving surface onto which light can be projected, the device including: electric terminals for supplying power and disposed in said housing, one of said terminals being formed on a side opposite from said reflector and the other of said terminals being connected to said reflector by a *bond wire running through a gap formed between said base rim and said luminous surface* in combination with the rest of claim 1 for the reasons stated by Applicant in the Remarks section filed 11/2/05.

It is noted that the claim 1 is allowable because the unique combination of each and every specific element stated in the claim.

The prior art, either alone or in combination, does not disclose or render obvious a device having a *bond wire running through a gap formed between said base rim and said luminous surface* in combination with the rest of claim 2 for the reasons stated by Applicant in the Remarks section filed 11/2/05.

It is noted that the claim 2 is allowable because the unique combination of each and every specific element stated in the claim.

The prior art, either alone or in combination, does not disclose or render obvious an LED having a *bond wire running through a gap formed between said base rim and said luminous surface* in combination with the rest of claim 11 for the reasons stated by Applicant in the Remarks section filed 11/2/05.

It is noted that the claim 11 is allowable because the unique combination of each and every specific element stated in the claim.

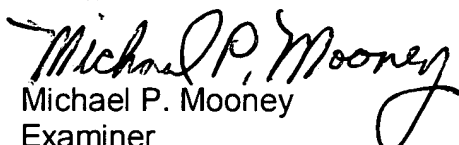

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael P. Mooney whose telephone number is 571-272-2422. The examiner can normally be reached during weekdays, M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Frank G. Font can be reached on 571-272-2415. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 571-272-1562.
